

Benjamin Mast Memorial Scholarship

This scholarship application is in memory of our son and brother, Benjamin Mast. Benjamin would have graduated with the class of 2012. Ben was killed in an automobile accident May 5, 2010. Ben had many interests in his life; his goal was to work for the DNR. Ben enjoyed carpentry, automotive (small engines), sports, and wildlife, among many other things. All seniors are encouraged to apply. Grade point average and participation in extra-curricular activities are not a determining factor. These scholarships will be awarded to Benson High School seniors who will be attending a college or vocational school of their choice.
