

Benson Boys Tennis Handbook

(3-22-2016)

*Team Philosophy: Work hard to get better each day, treat everyone involved with respect, and have fun.

*Lettering will be determined on a case-by-case basis.

*What position you play will be determined on skill level, work ethic, doubles chemistry, and other factors as they arise.(Challenge matches won't necessarily determine your position, but I will always go with what I believe to be the most ethical line-up, as this is a requirement of the state high school league)

*If you are going to miss a practice/match, let the coach(es) know ahead of time. The coach(es) will determine if it is a valid excuse. If it is not, it will likely affect your playing time. 2 unexcused absences will result in a parent/player meeting with the coach. 4 unexcused absences is grounds for dismissal from the team.

*Be on time, work hard, listen, be respectful, and help each other out. Cheer your teammates on during matches and congratulate them. Be courteous to your opponents.

*All final determinations and interpretations of rules are at the coach's discretion.
