"Exceptional Opportunities for Every Student's Success"

August 13, 2020

Dear Parents,

The application for meal benefits is attached. **I encourage you to complete and return the application.**

Most of the grants that we apply for are based on our percentage of students who are eligible for free or reduced meals. Many of our high school students may be eligible for free or reduced meals but do not apply because they do not eat at the school. By completing and returning the application form these students would increase our percentage regardless if they eat at the school, financially benefitting the school. In addition, compensatory school funding is based on free and reduced numbers. Even if you are not sure you qualify or if your child may not eat school lunch, please take time to complete and return the application.

If your family is in a temporary or inadequate living situation due to a loss of housing, your child may be eligible for certain educational rights and services under the McKinney-Vento Act.

Please complete the application and return it. The information is strictly confidential.

Thank you for your assistance.

Re: School Meal Accounts

BREAKFAST/LUNCH INFORMATION

The "**offer versus serve**" provision recognizes that students have an ability to exercise discretion in their choice of foods. Benson Public Schools participates in the "offer versus serve" provision. Participating students must choose at least three of the five items including a ½ cup of fruit or vegetable for their lunch and three items for their breakfast including a fruit or vegetable. The five items "offered" for lunch include protein, vegetable, fruit, milk and grain. The three "offered" components for breakfast include milk, grain and fruit. Which items the students' take is their choice. If your child does not take the required food groups, this is not considered as a reimbursable meal and will be charged separately. **If your child is on the free or reduced program, and does not take the required items, your child would not receive this benefit and would have to pay for this meal.** In addition, milk breaks, second helpings of the main entrée, or extra milk are not part of the free/reduced program. Your child is offered an extra serving amount of fruit and vegetable servings at no additional cost.

Breakfast is served at the Northside and High School cafeterias. Breakfast consists of hot and cold choices served buffet style. Our new **Second Chance Breakfast** is for students in grades 6-12 at 9:33 a.m.-9:45 a.m. in the high school cafeteria.

Students in grades 6-12, are offered **hot choices, grab & go choices and sandwich choices with a fruit and vegetable bar**. These can be used as a reimbursable meal choice or as an added charged item. The ala carte line offers healthy snacks, entrees, and beverages.

Special Diets: We will accommodate students with special diets according to the **Rehabilitation Act of 1973 and the Americans with Disabilities Act**. Please contact the Foodservice Director if this pertains to your child. Special forms will need to be filled out and will require a medical doctor's authorization. This form is also found on the school website. Lactose free milk is available upon written parent request. Please contact Foodservice if your child requires this.

Each student will be finger scanned for meal identification purposes only. The school will not have a copy of any fingerprints from this system nor will it be able to recreate one. Federal guidelines allow a student to have one reimbursable breakfast and one reimbursable lunch per day. Milk breaks and the Elementary Healthy Snack are not reimbursed by the state or federal government and are a paid only item.

Meal prices are as follows:

Breakfast:	Grades 1-5: \$1.70 (\$8.50 weekly/child), All Kindergarten students: Free,	Grades 6-12: \$1.80 (\$9.00 weekly/child) Reduced: Free
Second Breakfast:	Grades 6-12: \$2.50	
Lunch:	Grades K-5: \$2.75 (\$13.75 weekly/child), Grades 6-12: \$3.00 (\$15.00 weekly/child), Reduced: Free	
Milk:	\$.50	
Adult:	Breakfast: \$2.50 Lunch: \$4.25	

MILK BREAKS/ELEMENTARY HEALTHY SNACKS

At Northside Elementary schools, **Special Milk Breaks** are offered. This is not part of the free/reduced lunch program and must be paid by all families. Lactose free milk is available with parental written consent to any child who needs this. Juice will not be given as a replacement without a medical doctor's note.

Milk break costs are as follows:

Northside:	K-5 per trimester = \$20.00	K-5 per year = \$60.00
------------	-----------------------------	------------------------

Elementary Healthy Snack costs are as follows:

K-5th Grade Program:	per trimester = \$30.00	per year = \$90.00
----------------------	-------------------------	--------------------

MEAL CHARGING POLICY

The computerized meal accounting system at the Benson Public Schools is a **PRE-PAID** system. All meals are paid for by depositing money into the family account before meals are served. This is a FAMILY account; therefore, you **only need to send one check per family**. Remember, all students within your family are taking from the same account. **The fee you send in is for food service accounts only. Any other student fees must be sent separately.** As you purchase food or milk, the price is deducted from the account. **If your lunch account is a zero balance or below, your child will not be allowed extra milk, or ala carte.** If you qualify for free or reduced meals, your child will be allowed to only eat the qualifying meal. Students without money in their account must pay cash or bring their lunch from home. It is the responsibility of the parents or guardians to be sure there is money in the account. Parents or guardians may call 320-842-2702 on any school day to find out how much money is remaining in the account. Any family having difficulty in working with this policy is strongly encouraged to apply for benefits offered by the free or reduced meal program. You must reapply to the free and reduced program each year regardless if you were on the program last year. Statements are e-mailed twice per week or sent by postal service weekly.

Please fill out the enclosed Student Allowed Charging Form for foodservice to allow your child to charge extras. Forms may be picked up in the Food Service Department or online under the Food Service Department. If you are not making any changes from the previous year, you do not need to fill out the form.

Please see attached Lunch Policy.

HANDLING OF LOST, STOLEN, AND MISUSED PIN NUMBERS IN THE SCHOOL LUNCH PROGRAM

The Child Nutrition Section of the United States Department of Agriculture has issued a policy.

This policy is established with respect to students who report misuse of PIN (personal identification number) numbers in schools and institutions that participate in the National School Lunch, School Breakfast, Commodity School or Special Milk Programs. Under no circumstances are PIN numbers allowed to be borrowed or exchanged to anyone other than the person who holds the number. Disciplinary action will be taken for those students who do so.

If you have any questions about your lunch account, please call (320) 842-2702. We look forward to a great year!

Dear Parent/Guardian:

Our school provides healthy meals each day. Breakfast costs \$1.70 grades 1-5 and \$1.80 grades 6-12; lunch costs \$2.75 grades K-5 and \$3.00 grades 6-12.

Your children may qualify for free or reduced-price school meals. To apply, complete the enclosed Application for Educational Benefits following the instructions. A new application must be submitted each year. At public schools, your application also helps the school qualify for education funds and discounts.

State funds help to pay for reduced-price school meals, so all students who are approved for either free or reduced-price school meals will receive school meals at no charge. State funds also help to pay for breakfasts for kindergarten students, so all participating kindergarten students receive breakfasts at no charge.

Return your completed Application for Educational Benefits to:

Janelle Simmonds, Benson Public Schools, 1400 Montana Avenue, Benson MN 56215

Who can get free school meals? Children in households participating in the Supplemental Nutrition Assistance Program (SNAP), Minnesota Family Investment Program (MFIP) or Food Distribution Program on Indian Reservations (FDPIR), and foster, homeless, migrant and runaway children can get free school meals without reporting household income. Alternatively, children can get free school meals if their household income is within the maximum income shown for their household size on the instructions.

To apply for free school meals, please complete the Application for Educational Benefits form.

COMMON QUESTIONS:

I get WIC or Medical Assistance. Can my children get free school meals? Children in households participating in WIC or Medical Assistance do not automatically qualify for free meals. Children may be eligible for free or reduced-price school meals depending on other household financial information. Please fill out an application.

Who should I include as household members? Include yourself and all other people living in the household, related or not (such as grandparents, other relatives, or friends).

May I apply if someone in my household is not a U.S. citizen? Yes. You or your children do not have to be U.S. citizens for your children to qualify for free or reduced-price school meals.

What if my income is not always the same? List the amount that you normally get. If you normally get overtime, include it, but not if you get overtime only sometimes. For seasonal work, write in the total annual income.

Will the income information or case number I give be checked? It may be. We may also ask you to send written proof.

How will the information be kept? Information you provide on the form, and your child's approval for meal benefits, will be protected as private data. For more information, see the back page of the Application for Educational Benefits.

If I don't qualify now, may I apply later? Yes. Please complete an application at any time if your income goes down, your household size goes up, or you start getting SNAP, MFIP or FDPIR benefits.

Please provide the information requested about children's racial identity and ethnicity, which helps to make sure we are fully serving our community. This information is not required for approval of school meal benefits.

If you have other questions or need help, call 320-843-2710.

Sincerely,

Dennis Laumeyer

Step 1: Children

List all infants and children in the household, their school and grade if applicable, and birthdate. Attach an additional page if needed to list all children. Check the box if a child is in foster care (a welfare agency or court has legal responsibility for the child).

Step 2: Case Number

If any household member currently participates in SNAP, MFIP or FDPIR, write in the case number and then go to Step 4. If you do not participate in any of these programs, leave Step 2 blank and continue on to Step 3.

Step 3: Adult and Child Incomes / Last 4 Digits of Social Security Number

- **Social Security Number/Total Household Members.** An adult household member must provide the last four digits of their Social Security number or check the box if they do not have a Social Security number. Report the total number of household members and ensure all household members are listed individually on the application in the child or adult section as applicable.
- **Child Income.** If any children in the household have regular income, such as SSI or part-time jobs, list the total amount of regular incomes received by all children, and check the box for the frequency: weekly, bi-weekly, twice a month, or monthly. Do not include occasional earnings like babysitting or lawn mowing.
- **Adult income.** Report the names of adult household members and income earned in this section.
 - List all adults living in the household not listed in Step 1, whether related or not, such as grandparents, relatives, or friends.
 - **Gross Earnings from Work.** This is usually the money received from working at jobs where a paycheck is received. For each income, check the box to show how often the income is received: weekly, bi-weekly, twice per month, or monthly.
 - List gross incomes before deductions, not take-home pay. Do not list an hourly wage rate. For adults with no income to report, enter a '0' or leave the section blank. For seasonal work, write in the total annual income.
 - **Are you Self-Employed or a Farmer?** List the net income per month or year after business expenses. Do not list the same income twice on the application. A loss from farm or self-employment must be listed as 0 income and does not reduce other income.
 - **Any Other Gross Income.** List gross incomes before deductions from all other sources, such as SSI, unemployment, child support, public assistance, social security, rental income or annuities.

Step 4: Signature and Contact Information An adult household member must sign the form. If you do not want your information to be shared with Minnesota Health Care Programs, check the "Don't share" box in Step 4.

Optional: Please provide the information on ethnicity and race that is requested on the second page of the form. This information is not required and does not affect approval for school meal benefits. The information helps to ensure we are meeting civil rights requirements and fully serving our community.

The **Richard B. Russell National School Lunch Act** requires the information on this application. You do not have to give the information, but if you do not, we cannot approve your child for free or reduced price meals. You must include the last four digits of the social security number of the adult household member who signs the application. The last four digits of the social security number is not required when you apply on behalf of a foster child or you list a Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF) Program or Food Distribution Program on Indian Reservations (FDPIR) case number or other FDPIR identifier for your child or when you indicate that the adult household member signing the application does not have a social security number. We will use your information to determine if your child is eligible for free or reduced price meals, and for administration and enforcement of the lunch and breakfast programs. We MAY share your eligibility information with education, health, and nutrition programs to help them evaluate, fund, or determine benefits for their programs, auditors for program reviews, and law enforcement officials to help them look into violations of program rules.

MDE uses this information to: (1) Administer state and federal programs, (2) Calculate compensatory revenue for public schools, and (3) Judge the quality of the state's educational program.
